

Dear Sponsor

I and my family wish you merry christmas and A happy new year. May God shower his blessing on you.

How are you? I am fine by the grace god. Thank you for helping me in my education.

We have many competition in our schools like cultural activities talent fest sports etc

In christmas we do card singing in the church, we give sweets to our relatives and neighbors.

I recently finished my first sem. I did it very well. I enjoyed my vacation a lot me and my family had been to hualhi and I had participated in many competition

I hope may this coming year bring joy and happiness in our life

Your loving child
